Preparation for Auditions: Please review all rules and expectations on the All State Choir Website at www.aschoir.com

I have read the updated Procedures and Requirements for the 2016/2017 All State Choir audition process and have checked the Colorado All State Choir website for more detailed information. I have checked eligibility according to CHSAA guidelines and recommend the following students for auditions. I understand that I am responsible for assuring that my students show up prepared. I also understand that a director is required at auditions if changes in voicing, card information, or questions arise.
