SITE CHANGE PETITIONS SHOULD BE SENT TO THE SITE YOU ARE REQUESTING BY THE DEADLINE DATE!

All Student information on this form should be submitted with your online registration. Be sure this form is submitted to both the Administrative Assistant and the scheduling governor of the site you are petitioning. You can find the scheduling governor on the Audition Sites & Dates document. You must still pay the student's registration fee online via credit card.

Be sure the petition has been granted before finalizing your students' audition schedule. Petitions for site changes are always subject to approval by the All State Choir Governing Board. Approval and notification will be made by the alternate site director.

General Guidelines: Schools are expected to audition on their assigned weekend. A school may not, as a whole, petition for another audition site. If the assigned weekend is a conflict for an individual student, an alternate site may be requested. The guiding principle is *choose another day at your site before petitioning for another site.*

Petitions will be considered on a case by case basis by the site governors and/or the All State Choir Board. If the petition is not approved, the director will be notified.

A site change will not be granted for an accompanist being unable to accommodate all the students' auditions in one day. It is the student's and director's responsibility to provide that student with an accompanist. The student's director need not be present at the alternate audition site.
