I have read the <u>updated</u> Procedures and Requirements for the 2018/2019 All State Choir audition process and have checked the Colorado All State Choir website for more detailed information. I have checked eligibility according to CHSAA guidelines and recommend the following students for auditions. I understand that I am responsible for assuring that my students show up prepared with an original copy of their music ( <i>photocopies will not be made onsite</i> ). I also understand that a director is required at auditions if changes in voicing, card information, or questions arise.
