Preparation for Auditions: Please review all rules and expectations on the All State Choir Website at www.aschoir.com

I have read the updated Procedures and Requirements for the 2021/2022 All State Choir audition process and have checked the Colorado All State Choir website for more detailed information. I have checked eligibility according to CHSAA guidelines and recommend the following students for auditions. **I also confirm that I, the student's director, am a current member of CMEA.** I understand that I am responsible for assuring that my students show up prepared with an original copy of their music (*photocopies will not be made onsite*), that I am responsible for assigning specific audition times to my students once the audition schedule has been released, and I understand that a director is required to be at auditions if changes in voicing, card information, or questions arise.
