## Thursday, Feb 8<sup>th</sup>, 2024 - Metro State & Embassy Suites

Final Auditions at MSU Arts Building Performing Arts Complex & St. Cajetan's Center -  
101 Lawrence Way, Denver, CO 80204

### **Second Auditions and Registration: 11:00 AM - 4:30 PM**

In an effort to alleviate long wait times for second auditions, we are suggesting the following schedule. We realize that this may not be possible for every school, but any help you can provide is appreciated.

- Schools in the Metro Region - audition between 11:00am and 12:30pm
- Schools in the Northern Region - audition between 12:30pm and 2:00pm
- Schools in Western/Southern Region - audition between 2:00pm and 3:30pm

### **Directors will check-in at The Arts Building (NO King Center)**

1. Directors & students will report to St. Cajetan's (next to King Center) upon arrival.
2. Directors will then check in at the MSU Arts Building, pick up 2nd audition cards, & return to St. Cajetan to distribute cards to their students. Please remember the Designated Chaperone(s), if in addition to the Director, must also be present for the duration of ASC, & match the pre-submitted name(s) on CMEA Chaperone Designation Form Kaitlin has on file in the [ASC Google Collection folder](#).
3. Students will wait in St. Cajetan's until they are called by number for their audition. MSU Denver student volunteers will guide students from St. Cajetan's to their audition/holding space in the Arts Building for their audition. After the audition, students will return to St. C to wait for the rest of their school group to finish auditions. Please refer to the ASC24: 2<sup>nd</sup> Auditions Letter to teachers for further details & instructions (upon receipt).
